

## Summary of Proposed and Existing Windfarms on the Isle of Skye

### PROPOSED WINDFARMS

Development	Status	Turbines (No.)	Turbine height	Capacity	Developer
Ben Aketil Repowering	In planning	9	200m	59.4MW	Renantis SpA, <b>ITALY</b> (ultimate parent company is IIF Int'l Holding L.P, an investment vehicle raised by JP Morgan Investment Management, <b>UNITED STATES</b> ) See note below**
Edinbane Repowering	Scoping	19	200m	90MW	Vattenfall Wind Power Ltd (ultimate owner Vattenfall AB, <b>SWEDEN</b> )
Ben Sca	Consented	7	135m	29.4MW	Ocean Winds UK Ltd (ultimately owned by OW Offshore SL, <b>SPAIN</b> )
Ben Sca extension	Consented	2	150m	8.4MW	Ocean Winds UK Ltd (ultimately owned by OW Offshore SL, <b>SPAIN</b> )
Beinn Mheadhonach (alteration)	In planning	5	150m	21MW	Wind Harvest Ltd, <b>SCOTLAND</b>
Glen Ullinish II*	In planning	47	200m	310.2MW	Muirhall Energy Ltd, <b>SCOTLAND</b>
Balmeanach Wind Farm	In planning	10	150m	45MW	Balmeanach Wind Farm Ltd (ultimately owned by EDP Renovaveis SA, <b>SPAIN</b> )
Waternish Wind Farm	Scoping - Pre-application complete	15	200m	67.5MW	Wind Development Holdings Ltd (ultimately owned by Brookfield Corporation, <b>CANADA</b> )
Breakish Wind Farm	Scoping - Pre-application complete	20	180m	120MW	Arise AB, <b>SWEDEN</b>
<b>Total</b>		<b>134</b>		<b>750.9MW</b>	

### CONSENTED PROJECTS BEING REPLACED BY LARGER PROJECTS ABOVE

Development	Status	Turbines (No.)	Turbine height	Capacity	Developer
Beinn Mheadhonach	Consented	4	120m	12.2MW	Wind Harvest Ltd, <b>SCOTLAND</b>
Glen Ullinish I	Consented	11	150m	49.9MW	Muirhall Energy Ltd, <b>SCOTLAND</b>
<b>Total</b>		<b>15</b>		<b>62.1MW</b>	

\*Note that Glen Ullinish 1 wind farm is consented for 11 turbines at up to 149.9m height although not included on this list as Muirhall Energy has stated that this project will only proceed in the event that Glen Ullinish 2 is not built.

\*\*Renantis UK Ltd (formerly known as Falck Renewables Wind Ltd) has a 51% shareholding in Ben Aketil Wind Energy Ltd. Renantis UK Ltd is a subsidiary of the Italian based Renantis SpA, who in February 2022 were bought by institutional investors with 60% of the shareholding being bought by IIF Int'l Holding L.P, an investment vehicle raised by the United States based JP Morgan Investment Management.

**NB:** information taken from public records recognising that subsequent changes may not yet be updated publicly due to the timing delay in publishing accounting data

## EXISTING WINDFARMS

The existing wind farms on Skye have the capacity to produce the following renewable wind output:

Development	Status	Turbines (No.)	Turbine height	Capacity	Developer
Ben Aketil	Operational	12 x 2.3MW	100m	27.6MW	Renantis SpA, <b>ITALY</b> (ultimate parent company is IIF Int'l Holding L.P, an investment vehicle raised by JP Morgan Investment Management, <b>UNITED STATES</b> ) See note below **
Edinbane	Operational	18 x 2.3MW	100m	41.4MW	Vattenfall Wind Power Ltd (ultimate owner Vattenfall AB, <b>SWEDEN</b> )
<b>Total</b>				<b>69MW</b>	

\*\*Renantis UK Ltd (formerly known as Falck Renewables Wind Ltd) has a 51% shareholding in Ben Aketil Wind Energy Ltd. Renantis UK Ltd is a subsidiary of the Italian based Renantis SpA, who in February 2022 were bought by institutional investors with 60% of the shareholding being bought by IIF Int'l Holding L.P, an investment vehicle raised by the United States based JP Morgan Investment Management.
